

Miquel Pérez Perelló
professional musician guitarist **a**

MIQUEL PÉREZ PERELLÓ. Guitarra.

He is one of the outstanding guitarists of his generation, a versatile musician who has delved into the guitar as an instrument of long tradition both cultured and popular.

As a guitar player, he stands out as a soloist and also in chamber groups with musicians of international prestige.

He began his studies with Vicente Ballester in Denia, his city, continuing in Alicante where he finished his guitar career with Professor José Tomás, a favorite student of the mythical Andrés Segovia. In Barcelona perfect your knowledge studying a postgraduate degree at "L'Escola d'Arts Musicals Luthier". He has done a Master in Musical Research at VIU (International University of Valencia) as well as the "Master in Classical Guitar Interpretation" from the University of Alicante.

He has performed both in Spain and in France, Italy, Switzerland, Germany, Korea and China where he has made masterclasses in various cities.

His artistic restlessness makes him stand out as a composer-creator in shows where also literature and the plastic arts They are protagonists, thus their projects have traveled a large part of the theaters and auditoriums of our territory. He has taught music history classes at the Miguel Hernández University as well as at the Superior Conservatory of Music Joaquín Rodrigo de Valencia and Superior Conservatory of Music Salvador Seguí de Castellón.

He resides in Valencia exclusively dedicated to artistic activity. He performs his concerts with an invaluable guitar called "La Campiña" built by guitar maker José Luís Romanillos, Doctor Honoris Causa by the University of Alicante 2014.
